Education

Uka Tarsadia University   **2021-2025**
Bachelor of Technology (B. Tech) in Information Technology   Gujarat, India

Tapovan Science Academy   **2019-2023**
12th Science with PCM (Percentage: 87.80%)   Gujarat, India

Projects

To Do App | HTML, CSS, Java Script | Individual | Link

- Developed a sleek To-Do app from scratch with HTML, CSS, and JavaScript.
- Implemented a seamless task-saving mechanism, allowing data retention in the browser to prevent loss upon page refresh.

Password Generator| HTML, CSS, Java Script | Individual | Link

- Designed and coded a dynamic password generator using HTML, CSS, and JavaScript, ensuring a broad spectrum of password possibilities for enhanced security.
- Enhanced user experience with one-click copy-to-clipboard functionality and a real-time password strength indicator, providing valuable feedback for creating robust passwords.
- Empowered users with the flexibility to customize their passwords by selecting from uppercase, lowercase, numbers, and symbols, showcasing strong front-end development skills and a commitment to user-centric design.

Personal Portfolio | HTML, CSS | Individual | Link (New) | Link (Old)

- Crafted a personalized portfolio website using HTML and CSS, showcasing a strong commitment to front-end design and development.
- Designed both the user interface (UI) and user experience (UX) elements from scratch, ensuring a visually appealing and user-friendly platform to showcase my work and skills.
- Prior to building the portfolio, gone thorough research to understand and implement best web practices, resulting in a professional and effective online presence that reflects my dedication to quality and innovation.

Technical Skills

- **Languages**: C++, Java Script, HTML\CSS, Dart
- **Technologies/Frameworks/Libraries**: Git/GitHub, Data Structure and Algorithms (DSA), Tailwind
- **Familiar With**: Java, Figma, Firebase

Achievement

- Solved **100+ problems** across various Coding platforms.
- **University 30** rank in GeeksforGeeks practice.
- Participated twice in state level Hackathon arranged by **SSIP-Gujarat.**
- **TFWS** (Tuition Fees Waiver Seat/ Top 5% of HSC students) **scholarship** awardee.
